Pricing Rules

- Provider commercial pricing is the internal cost basis. BorderPay customer pricing is market-facing and higher than provider cost.
- If the selected provider route has percentage-only pricing, BorderPay charges percentage-only pricing.
- If the selected provider route has a fixed fee, BorderPay may charge a customer fixed fee.
- If the selected provider route has percentage plus fixed pricing, BorderPay charges percentage plus fixed pricing.
- If the selected provider route has minimum/maximum rules, BorderPay may set customer minimum/maximum rules.
- DR Congo is payout-only. Collection and onboarding are not offered.
- Bridge remains BorderPay core infrastructure. Yellow Card and Flutterwave are local African rail execution partners only.
